PREFACE

This roster lists all NSAP field team members since program inception, in 1970, through Fiscal Year 1986.

Members are grouped according to their home laboratories at time of initial NSAP deployment. Where laboratory names have changed, the current names of the laboratories are used. An index and acronym list are provided for easy reference.

Readers are encouraged to provide updates and corrections to this roster. Changes should be forwarded to the following address:

Officer in Charge
White Oak Laboratory
Naval Surface Weapons Center Detachment
Attn: NSAP Office, Code D23
10901 New Hampshire Avenue
Silver Spring, MD 20903-5000

The author extends her thanks to all the NSAP field team members, laboratory coordinators and Program Directors, past and present, whose cooperation made it possible to compile this roster and whose insightful comments proved so valuable to the project.
